Dear Sir: Having, through the agency of your extract of sarsaparilla, accomplished a most remarkable cure in the case of my sister, I deem it important to make all acquainted with her case who may be similarly afflicted, as it may be the means of saving many from a prenature death. Having been attacked with the best medical skill without benefit, and finally pronounced incurable, able determined to try your extract of sarsarilla, and, after the use of the very limited number of three butter health than she ever before experienced.—Hoping that this description of her case will compute the notice of many who may be similarly afficted, 1 um most respectfully, yours.
